◀ REVERSE FORWARD ▶

MAINTAINING A LINEAGE. The new Morgan 4-Seater maintains the strong line of 4 wheel, four-seat car production from the Morgan factory since 1936. For many, the blend of traditional sports car performance, combined with space and practicality, means the versatile 4-Seater is a welcome return to the Morgan stable.

TWO INTO FOUR, EQUALS TWO

Four Seater

Plus 4 & Roadster Models

TWO INTO FOUR, EQUALS TWO. What makes this new 4-Seater even more desirable and unique is its availability with either the 2.0 145 Bhp +4 or the 3.0 V6 223 Bhp Roadster powertrains. Restyled rear lines, a new hood design and intelligent rear seat configuration make for an exceptionally attractive package.

ALL ROUND INTERIOR COMFORT AND SAFETY

Four Seater

Plus 4 & Roadster Models

◀ REVERSE FORWARD ▶

This is no cramped 2+2. Four comfortable seats can be found beneath the newly styled hood. Which, when combined with clever interior packaging, provides more head and leg room than ever before.

Separately folding rear seats also offer the opportunity for extra luggage space and greater stowage flexibility - great for touring, with both rear seats folded.

Safety is covered with 3 point seat belts, front and rear, providing a safe and comfortable ride for all four occupants. The ability to fit ISO fix child seats for the 'smaller' back seat passengers is standard on both models.

Greater suspension travel also provides improved comfort and assured handling characteristics.

POUR ON THE STYLE

Four Seater
Plus 4 & Roadster Models

This is a true Morgan, from every angle, inside and out. In addition to the re-styling of the hood and rear body-work, new painted lower side screens (with room to stow in the car) accentuate the narrow side window lines. Optional equipment includes attractive polished wood centre console plus, for the first time, classically stylish 18" wire wheels.

POWERTRAIN. THE PREFERENCE IS YOURS

Four Seater

Plus 4 & Roadster Models

◀ REVERSE FORWARD ▶

Uniquely the new Morgan 4-Seater is available with two powertrain configurations.

Plus 4 - 2.0 Litre Ford Duratec – producing 145 bhp at 6,000 rpm and peak torque of 187Nm (140 lb-ft) at 4,500 rpm. Low weight and emissions plus highly efficient performance and fuel economy.

Roadster – 3.0 Litre Ford V6 – producing 223 bhp at 6,150 rpm and peak torque

Torque 280Nm (206 lb/ft) at 4900 rpm. Vivid performance is assured, 0 – 60 mph in 5 seconds, from the latest in lightweight engine technology whilst meeting all the latest world standards in engine emissions and fuel economy. This powertrain provides the highest power to weight ratio of any open 4-seater on the market!
